### *Is it Spring yet?!?!?*

It has definitely been a *long* winter, but the great news is, it's Spring Release and that means we get new wines! Bottling is scheduled for April 15<sup>th</sup> and we have everything ready to go! It's a little later than last year because of Harvest being late due to the weird weather we had, and up until now the wine was just not ready. And yes, I know what you're thinking; bottling falls on **tax** day, however, I don't know about you but I like to spend that day enjoying my favorite bottle of wine because it minimizes the pain I feel when I "deposit" my tax return and the accompanying check into the mail box! ☺

So...what can you expect this season for new releases? Well, Patit Creek Cellars is excited to announce a *very special* lineup for this year's Spring Release!

Back by popular demand is our off-dry German style Riesling that sold out within months of bottling last year. If this was your personal favorite, be sure to stock up early this time!

Next, is our *first ever* (and possibly, the *only* ever) Patit Creek Zinfandel! This region may not be perceived as being top Zin country, but we had a "one-shot" opportunity to get Zin fruit from the esteemed Les Collines vineyard in Walla Walla, and we just *couldn't* pass it up! We think after tasting, this Zin just might change perceptions. If you're a Zin lover, grab yours now!

Last but not least, a tradition at Patit Creek Cellars...our classic Cabernet Sauvignon. Sourced from the Wallula Vineyard, on the steep cliffs above the Columbia River at the Wallula Gap, the nose of this wine screams pure Cab!

Wine Club shipments will begin April 16<sup>th</sup>, so take a moment and call or drop us a note at [info@patitcreekcellars.com](mailto:info@patitcreekcellars.com) if your credit card or your address has changed since your last purchase. We're offering the traditional pre-release special, however, its date sensitive so take a look at the enclosed Spring Release flyer and get your requests in early!

Enclosed is our latest calendar of upcoming events. We will continue to add to it as new events are planned, so visit us at [www.patitcreekcellars.com](http://www.patitcreekcellars.com) to see what's happening at the winery, and to see what events Patit Creek Cellars will be participating in!

Lastly, we'd like to remind you that Patit Creek Cellars **does not** charge a tasting fee *except* during the Spring Release and Holiday Barrel Tasting weekends when we provide the wonderful food buffets for you to enjoy (fee waived for Club Members). We have also maintained our price points on wine again this year as a way to say THANK YOU for your business, and to let you know how much we *value* your Cellars Club Memberships. We look forward to your return visits this year! ☺

**Pssst...inside scoop:** Coming soon! Semillon Ice Wine...more to be announced in the coming months!
